

PayPal advice

We are now enrolled in the PayPal Giving Fund, which means we pay no fees on your donations. To donate to us via the Giving Fund, there are two options.

1. If you have the PayPal app on your phone:

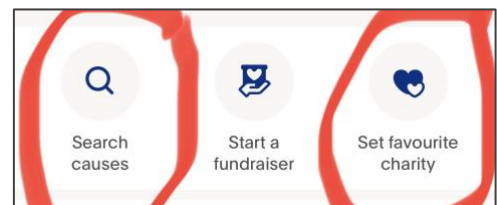

a) For the first time you donate to the Giving Fund - on the Home Page, go to the bottom and tap 'Payments' (NOT 'Send').

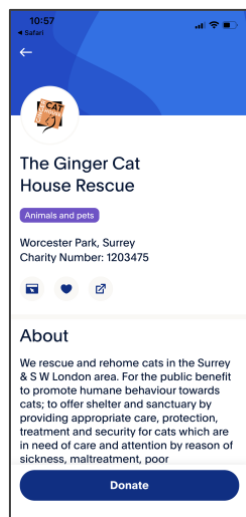

b) On the Payments page, tap 'Give' at the top.

c) On the Give Page, tap 'Search Causes' and enter 'The Ginger Cat House Rescue'. You may prefer to set us as one of your favourite charities at this stage.

d) You will now see this page, which is where you can donate without us incurring fees.

e) For repeat payments, you will then find us under 'Send again' or on your 'Recent Activity' list.

f) You can also make us one of your favourite charities, which will make it easier for you, should you wish to donate to us again. To do this you can click on the heart icon under our name. Then we shall appear on your PayPal Payments/ Give page like this:

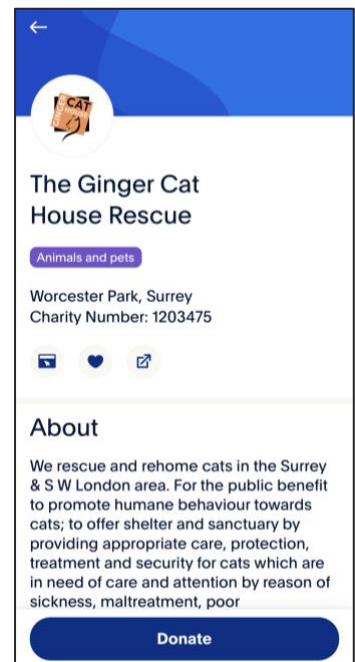

2. To donate via your laptop/ desktop, please click on the link below:

PLEASE NOTE: If you search for us in PayPal, you will find us under 'The Ginger Cat House Rescue' **BUT**, if you donate that way, we will incur fees, e.g. on a £2 donation, we would receive £1.77.

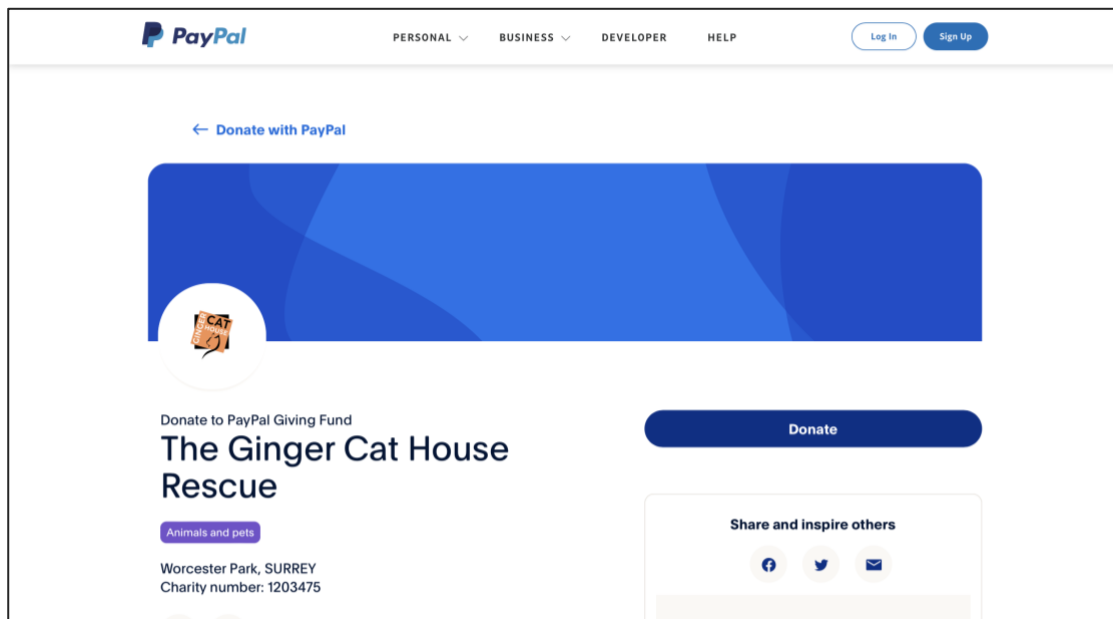

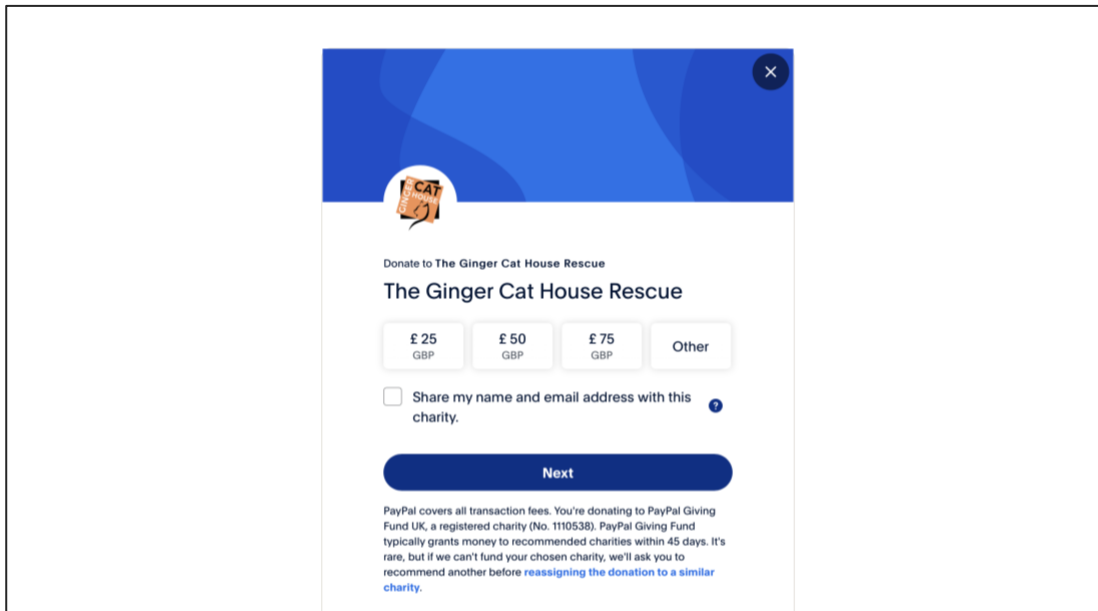

When you click on 'Donate', you will see this image (left) which gives you donation options. These amounts are set by PayPal and we cannot change them. Please use the 'Other' button for donations under £25.

Thank you so much for your donation!

LAPTOP/ DESKTOP VIEW: likewise on a laptop/ desktop, the Giving Fund page looks like this:

If you don't see this image, your PayPal website tab could already be open or bookmarked. **Please close down your PayPal tab** (or close the bookmark) and start again using the link at the top of this page, so that we don't incur fees. The donation page looks like this:
